INTERNATIONAL PRELIMINARY REPORT ON PATENTABILITY (Chapter I of the Patent Cooperation Treaty)

(PCT Rule 44bis)

Applicant's or agent's file reference 890003-2006.WO	FOR FURTHER ACTION	See item 4 below		
International application No. PCT/US2004/021553	International filing date (day/month/year) 02 July 2004 (02.07.2004)	Priority date (day/month/year) 02 July 2003 (02.07.2003)		
International Patent Classification (8th edition unless older edition indicated) See relevant information in Form PCT/ISA/237				
Applicant REGENTS OF THE UNIVERSITY OF MINNESOTA				

1.	This international preliminary report on patentability (Chapter I) is issued by the International Bureau on behalf of the International Searching Authority under Rule 44 bis.1(a).					
2.	This REPORT consists of a total of 4 sheets, including this cover sheet.					
In the attached sheets, any reference to the written opinion of the International Searching Authority should be read as a reference to the international preliminary report on patentability (Chapter I) instead.						
3.	3. This report contains indications relating to the following items:					
	Box No. I Basis of the report					
	Box No. II Pr	Priority				
		Non-establishment of opinion with regard to novelty, inventive step and industrial applicability				
	Box No. IV L	Lack of unity of invention				
		Reasoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement				
	Box No. VI C	Certain documents cited				
	Box No. VII C	Certain defects in the international application				
	Box No. VIII C	ertain observations on the	international application			
4. The International Bureau will communicate this report to designated Offices in accordance with Rules 44bis.3(c) and 93bis.1 but not, except where the applicant makes an express request under Article 23(2), before the expiration of 30 months from the priority date (Rule 44bis .2).

WRITTEN OPINION OF THE INTERNATIONAL SEARCHING AUTHORITY

International application No.
PCT/US04/21553

Box No. I Basis of this opinion		
1. With regard to the language, this opinion has been established on the basis of: the international application in the language in which it was filed a translation of the international application into, which is the language of a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)).		
With regard to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the claimed invention, this opinion has been established on the basis of:		
a. type of material a sequence listing		
table(s) related to the sequence listing		
b. format of material on paper		
in electronic form		
c. time of filing/furnishing contained in the international application as filed.		
filed together with the international application in electronic form.		
furnished subsequently to this Authority for the purposes of search.		
3. In addition, in the case that more than one version or copy of a sequence listing and/or table(s) relating thereto has been filed or furnished, the required statements that the information in the subsequent or additional copies is identical to that in the application as filed or does not go beyond the application as filed, as appropriate, were furnished.		
4. Additional comments:
